- Soft, easy-to-clean bioleatherette earpads with cooling tech

The AC-404 with AI Noise Cancelation is a premium headset designed for professionals with any working style (remote, in-office, or hybrid).

The AC-404 features AI Noise Cancelation so powerful it eliminates virtually all background noise in any environment, no matter how noisy.

The AC-404 connects to any USB-C equipped device, or to any USB-A device via the included adapter.

The headset features an in-line controller with an optional magnetic dongle holder that allows for easy cable management.

Foldable earcups allow for easy storage and transportation in the included carrying pouch.
