

CA Essential Wireless Headset

HS-1500BT

FEATURES

- Bluetooth connection to two devices at once
- USB Bluetooth dongle included for higher quality performance on a PC
- Two types of noise-canceling technology
- Environmental Noise Cancelation (ENC) uses two microphones and an advanced algorithm to minimize noise, so you are clearly heard by colleagues and friends
- Active Noise Cancelation (ANC) minimizes surrounding background noise, so you hear your calls or music more clearly
- Convenient controls for volume, mute, call, and busy light
- Mute by rotating the microphone boom arm up
- Leatherette headband and ear cushions
- Adjustable headband and boom arm
- Approximately 30 hours of battery playtime
- Plug-and-play headset with no software to update or install
- USB-C charging cable included

Designed for comfort, clarity, and durability, the CA Essential Wireless Headset HS-1500BT delivers high-quality, reliable audio in busy offices, call centers, or while working remotely.

The CA Essential Wireless Headset HS-1500BT features two types of noise-canceling technology, providing high-quality audio while speaking and listening. Environmental Noise Cancelation (ENC) minimizes background noise so you sound clearer to those you are speaking with. Active Noise Cancelation (ANC) reduces low-frequency sounds like air conditioners and other background noise so you more clearly hear your calls or music.

Compatible with all unified communications (UC) platforms, including Microsoft Teams, Skype for Business, Zoom, Slack, and Google Meet.
